

Take control of your waste!

Agritel supplies crushing and compacting machines for a wide variety of waste material, including plastic, cardboard, glass, cans, drums and oil filters. Compacted waste is easier to handle, cheaper to store and transport, and readily accepted by recyclers.

Used as part of a simple waste management regime, Agri-mac machines offer the potential for increased efficiency and cost-effective, environmentally-responsible waste disposal.

Contact our friendly and knowledgeable staff to find out how an Agri-mac machine can benefit your business.

Agri-mac Pneumatic Can Crushers

PC205

Agri-mac Pneumatic Can Crushers make light work of compacting waste metal drums to a fraction of their original size.

The spark-free pneumatic operation makes these machines safe for crushing cans that have been used to store solvent-based liquids.

Two models are available: the PC205 is suitable for 5 litre cans, while the PC206 will handle cans of up to 30 litres capacity. For larger drums, see the Agri-mac DC10 Drum Crusher.

PC206

- PC205 handles cans up to 5 litre capacity
- PC206 for up to 30-litre cans
- Drain point for easy removal of waste liquid
- Heavy-duty construction and user-friendly controls for trouble-free operation
- Small footprint
- Ideal for use with solvent-based liquid residue

TECHNICAL SPECIFICATIONS

	Agri-mac PC205 Can Crusher	Agri-mac PC206 Can Crusher
Piston force	980 kg at 8 bar	1600 kg at 8 bar
Chamber (HxWxD)	350 x 200 x 220 mm	580 x 350 x 370 mm
Machine weight	28 kg	95 kg
Dimensions (HxWxD)	990 x 260 x 290 mm	1780 x 500 x 450 mm
