

# Reduce waste volumes by up to 90%

## Agri-mac V40

The smallest baler in the Agri-mac range. Ideal for locations where space is at a premium: garage forecourts, retail outlets, offices, pubs, restaurants etc.

- Produces a compact bale up to 40kg
- Hydraulic operation
- Single-phase electrics
- 12-month warranty
- Optional bale trolley

## Agri-mac V55

A compact baler suitable for low volumes of waste. The combination of small footprint and larger bale size make this the ideal machine for any space-conscious business wishing to optimise its waste handling.

- Bale weights up to 75kg
- Hydraulic operation
- Single-phase electrics
- 12-month warranty

## Agri-mac V75

Perfect for positioning in a limited-space environment where material volumes are low to moderate, but cost savings are paramount.

- For use in shops, hotels and light industrial applications
- Bale weights up to 100kg
- Hydraulic operation
- Single-phase electrics
- 12-month warranty
- Supplied with bale trolley

	TECHNICAL SPECIFICATIONS		
	Agri-mac V40	Agri-mac V55	Agri-mac V75
Press force (max)	2 tonne	2 tonne	3.5 tonne
Loading aperture (HxW)	430 x 535 mm	470 x 550 mm	640 x 700 mm
Bale weight (maximum)	40 kg	75 kg	100 kg
Bale dimensions (HxWxD)	550 x 535 x 450 mm	800 x 550 x 550 mm	1000 x 700 x 500 mm
Cycle time	20 seconds	15 seconds	24 seconds
Machine weight	140 kg	205 kg	270 kg
Power supply	1.5 kW – 220 V – 50 Hz	1.5 kW – 220 V – 50 Hz	1.5 kW – 220 V – 50 Hz
Dimensions (HxWxD)	1695 x 718 x 570 mm	1950 x 880 x 650 mm	2350 x 1000 x 585 mm

# Take control of your waste!

Convert waste packaging materials such as cardboard, plastic and paper into dense, space-saving bales: easier to handle and less costly to transport.

## Agri-mac V150

The combination of small footprint and generous feed aperture makes the Agri-mac V150 ideal for medium-volume applications where space is at a premium.

- Suitable for cardboard and plastics
- 950mm wide feed aperture
- Bale weights up to 200 kg
- 3 twine tying for a secure bale
- Automatic bale ejection
- 16 amp single-phase electrics
- 12-month warranty

## Agri-mac V250

A machine suitable for medium to large volume applications. With a big feed aperture and 15 tonnes of press force the Agri-mac V250 is the choice of recyclers and industrial users alike, particularly when baling plastic films.

- Bale weights from 150 – 425 kg
- Hydraulic operation
- 1100mm wide feed aperture
- 16 amp single-phase electrics
- Automatic bale ejection
- 12-month warranty
