

## Faster, lighter, simpler

A range of lightweight and ergonomic glue guns with a simple 4-way choice of hotmelt adhesives giving a solution for just about every situation.

- **Ergonomically designed** with longer triggers, narrow profiles and robust but lightweight construction to eliminate operator fatigue
- **Glue adjuster™** allows the operator to easily pre-set the amount of glue, especially useful for repetitive work
- **One-year warranty**, subject to using genuine Stickfast® hot melt glue sticks

### GX 120 Light Duty

Ideal for dispensing small amounts of glue. Cost-effective for multiple operators. 2-minute heat time. Weighs just 400g.

### GX 300 Medium Duty

**Best-selling model.** Robust and reliable with higher output. Variable temperature control. Glue adjuster.

### GX 600 Heavy Duty

Industrial 600W glue gun. Uses 18mm sticks for maximum output. Long trigger-feeding mechanism for comfort. Built-in stand.

### GX 600A Heavy Duty Air Assisted

Effort-saving air switch ideal for repetitive application of large amounts of glue. All the features of the GX 600.
